Percy W. Smith Kills Himself.

Clarksville, Tenn., Oct. 22.-Percy W. Smith, who represented locally several brokerage houses, including the Cella Commission Company of St. Louis, shot himself through the heart in his office here this morning, dying almost instantly

REPUBLIC SPECIAL

He left no note or other word accounting for the deed, but had been despondent for some days, and brooding over business reverses, which is supposed to be the cause for the act. Smith was a member of a prominent family here and leaves a wife. He was 30 years old and an Elk. The burial will take place to-morrow afternoon. He was the son of Captain A. P.

There are times and occasions

for all things. Can you think of an evening affair where a dress suit would not be proper?

The dress suit is undoubtedly

the most necessary garment in a man's wardrobe, yet how many dress sults there are that look as if they were borrowed or "rented" for the occasion. Like all other apparel bearing

the Harlan mark, a Harlan-made dress suit has a style and individuality all its own, Our prices for dress suits range from \$50 to \$75, the \$75 article being superior only in

TO SAVE THREE MILLIONS. Less Money Needed for Pensions and Indian Affairs. Washington, Oct. Z.-The Secretary of the Interior has completed and forwarded

to the Secretary of the Treasure his es-

timate of the appropriations necessary to conduct of the affairs of the Interior Department for the fiscal year ending June 50, 1905. The estimate places the total requirement for the department at \$156,000,000. which is about \$3,000,000 less than the appropriation for the current year. The proposed reduction will be made in the reposed reduction will be made in the Pension Bureau and the Indian Office. The estimate for pensions is \$156,800,000. It is than the appropriation made for this year.

\$1,700,000 less than the appropriation made for this year.

There also is a cut of \$1,200,000 in the estimate of the Indian Bureau. The esti-mate for the expenses of conducting the affairs of the Five Civilized Tribes of In-dians is \$25,855. The reduction in the pension estimate is due to a calculation of deaths of pensioners made by the Com-missioner of Pensions. NOTED HISTORIAN IS DEAD.
